Beyond Industry Standards

*For the first time in history, rug design is elevated to the level of true Haute Couture. By merging avant-garde aesthetics with specialized, non-standard manufacturing techniques, we transcend the boundaries of the industry. Each piece is a unique artistic asset, redefining the soul of the interior.*

2025-2026

# CONTEMPORARY SERIES

THE FUTURE OF TEXTURE & ABSTRACTION

*A bold exploration of fluid forms, avant-garde gradients, and sculptural depth.  
In this series, the rug transcends its functional origin to become a dynamic  
canvas of modern expression.*

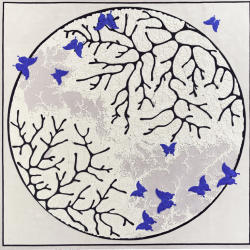

### Alexander's Collection. 'Amethyst Butterflies' | Artisan Rug (2019)

A true gem of the Jewel Collection, merging Art Deco elegance with high-end textile engineering. The design utilizes the rare Grisaille technique—a monochromatic 3D rendering method translated into wool through complex color gradients. Each butterfly is meticulously hand-carved to define every facet, creating a complete illusion of volume. Crafted from premium New Zealand wool, this rug achieves a level of sculptural realism and "breathing" graphic depth unprecedented in the textile industry.

*Limited Edition of 5 | 300 x 300 cm | Hand-carved 3D Sculptural Wool (Grisaille technique)*

### Alexander's Collection. 'Butterfly Dance' | Artisan Rug (2025-now)

A breathtaking masterpiece of sculptural textile art where nature's fragility meets architectural strength. Part of the Discovery of Nature collection by Alexander Anisimov, this design features vibrant blue butterflies soaring over a hand-sculpted relief of stylized stones. Executed to an exclusive Luxury Quality Standard, the work utilizes a sophisticated interplay of loop and cut pile to create profound 3D depth. A complex color gradient technique, blending multiple shades of premium New Zealand wool, achieves fluid transitions and a kinetic, high-fashion aesthetic for prestigious contemporary interiors.

*Limited Edition of 5 | 300 x 300 cm | Artisan Hand-tufted, Multi-level Loop & Cut Pile in New Zealand Wool*

### Alexander's Collection. 'Blue Butterflies' | Artisan Rug (2025-now)

A sophisticated fusion of Art Deco geometric elegance and 21st-century sculptural textile design. As a central work in the Discovery of Nature collection, this piece features a swarm of butterflies soaring above a hand-sculpted relief, creating a vivid architectural statement. Produced to an exclusive Luxury Quality Standard, the rug achieves a velvet-like density through a precise interplay of loop and cut pile. A shimmering, multidimensional effect is reached by blending varying shades of blue wool threads, transforming the floor into a vibrant, high-fashion gallery space.

*Limited Edition of 5 | 250 x 336 cm | Artisan Hand-tufted, 3D Sculptural Loop & Cut Pile in New Zealand Wool*

### Alexander's Collection. 'Dunes' | Artisan Rug (2025-now)

An organic evolution of eco-style within the Discovery of Nature series by Alexander Anisimov. This piece establishes a new Luxury Quality Standard, achieving a couture-level velour surface through specialized pile calibration. The design captures the shifting textures of desert sands via a sophisticated interplay of loop and cut pile in soft, pastel tonalities. A serene architectural anchor that transforms the floor into a high-value "Haute Couture" artistic asset.

*Limited Edition of 5 | 250 x 336 cm | Artisan Hand-tufted, Multi-level Loop & Cut Pile in New Zealand Wool*

### Alexander's Collection. 'Fantasy Nature' | Artisan Rug (2025-now)

A striking leaf composition by Alexander Anisimov, featuring over 600 hand-painted graphic elements for an organic flow. Executed under the exclusive Luxury Quality Standard, the design employs a 3D sculptural surface through a precise interplay of loop and cut pile. Complex thread-blending achieves painterly depth, transforming the rug into a dominant architectural anchor for prestigious modern galleries and private residences.

*Limited Edition of 5 | 320 x 320 cm | Artisan Hand-tufted, 3D Sculptural New Zealand Wool*

### Alexander's Collection. 'Fantasy River' | Artisan Rug (2025-now)

A contemporary work from the Discovery of Nature series by Alexander Anisimov, featuring a mesmerizing interplay of graphic lines that mimic organic river currents. Executed to the brand's exclusive Luxury Quality Standard, the design achieves a profound sculptural effect through high-relief graphic contouring. Rhythmic, fluid patterns create a sense of movement, transforming the floor into a dynamic architectural landscape. This sophisticated statement piece blends artistic abstraction with the structural integrity of elite textile art for refined modern interiors.

*Limited Edition of 5 | 283 x 373 cm | Artisan Hand-tufted, 3D Sculptural New Zealand Wool*

[Alexanders Collection Fantasy River Artisan Rug.zip](#)

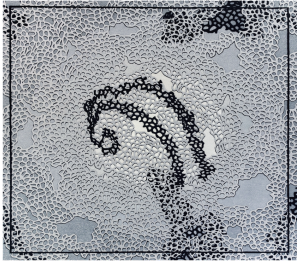

### Alexander's Collection. 'Red Dots' | Artisan Rug (2025-now)

A bold fusion of contemporary abstraction and jewelry-grade materials by Alexander Anisimov. This design features vibrant organic elements floating within a shimmering web of Golden Lurex. Executed under the exclusive Luxury Quality Standard, the work achieves unprecedented sculptural depth through a sophisticated three-level hand-shearing technique. The labor-intensive process transforms the surface into a multi-layered, velour-like couture texture, creating a high-fashion architectural statement for elite modern interiors.

*Limited Edition of 5 / 300 x 300 cm / Artisan Hand-tufted, Three-level Hand-Shearing in New Zealand Wool & Golden Lurex*

### Alexander's Collection. 'Mystery of Nature' | Artisan Rug (2025-now)

A premier embodiment of the Luxury Quality Standard by Alexander Anisimov, featuring a sophisticated lace-like design in a refined monochromatic palette. To achieve unprecedented quality, the work utilizes an extra-high pile density combined with meticulous hand-shearing. A multi-layered sculptural effect allows the "lace" structures to appear at different depths through a precise 3D interplay of loop and cut pile. This quiet yet powerful architectural statement transforms New Zealand wool into a seamless, velour-like couture surface for the world's most prestigious interiors.

*Limited Edition of 5 / 300 x 300 cm / Artisan Hand-tufted, 3D Sculptural "Lace" in New Zealand Wool*

### Alexander's Collection. 'JEWELS' | Artisan Rug (2019-now)

An eponymous masterpiece from the Jewel Collection by Alex Sander, featuring a revolutionary asymmetric composition. The design creates powerful visual tension, contrasting a pure silk field with an explosive concentration of hand-drawn gemstone motifs. Crafted entirely from 100% fine silk with specialized velvet surface polishing, the rug mirrors the iridescent shimmer of precious stones. Each high-relief element provides a sensory experience of hyper-realistic depth, redefining the rug as a high-jewelry treasure.

*Limited Edition of 5 / 250 x 350 cm / Artisan Hand-tufted, 100% Fine Silk with 3D Sculptural Gemstone Motifs*

[Alexanders Collection Jewels Artisan Rug.zip](#)

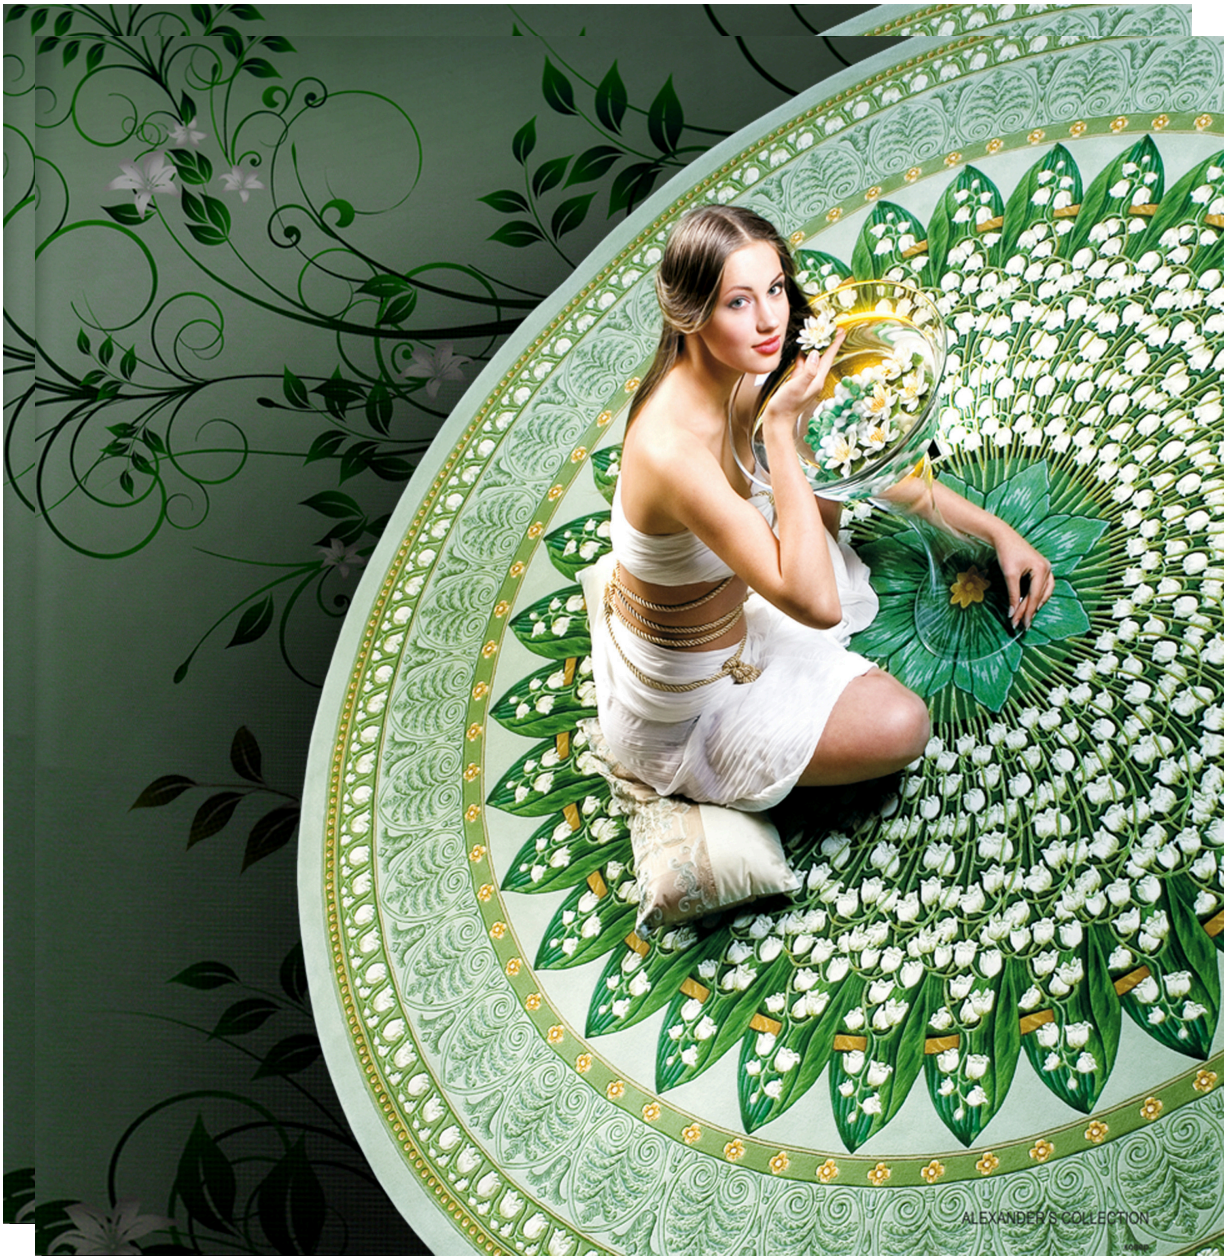

### Alexander's Collection. 'Ancient Echoes' | Artisan Rug (2017-now)

A captivating prehistoric canvas inspired by the emotive power of ancient cave art. The design utilizes exceptional "Mural Quality" textures to mimic a weathered rock wall through sophisticated tonal shifts. Masterful cut pile techniques create a tactile 3D relief, balancing primeval aesthetics with elite textile luxury. This work serves as a grounded, organic architectural anchor for sophisticated modern interiors.

*Limited Edition of 5 / 230 x 296 cm / Artisan Hand-tufted, 3D Sculptural Mural Texture in New Zealand Wool*

# NEOCLASSIC SERIES

## THE ETERNITY OF FORM & SYMMETRY

*A sophisticated reinterpretation of imperial heritage, where archival motifs meet 21st-century textile engineering. These pieces bring timeless architectural harmony to the contemporary interior.*

### Alexander's Collection. 'Empress' | Artisan Rug (2013-now)

A signature masterpiece and global icon of Alexander's Collection, elevating floral motifs into high-concept architectural statements. Inspired by the favorite flower of Empress Maria Feodorovna, the design captures the fleeting beauty of northern lilies of the valley through an exclusive Luxury Quality Standard. Using specialized hand-tufting equipment, these delicate blooms are transformed into a precise 3D sculptural relief. Each petal and leaf is rendered with "couture-class" precision, turning the carpet into the undeniable "main character" of any high-end neoclassical interior.

*Limited Edition of 10 | D 300 cm | Artisan Hand-tufted, 3D Sculptural Relief in New Zealand Wool & Natural Silk*

[Alexanders Collection Empress Artisan Rug.zip](#)

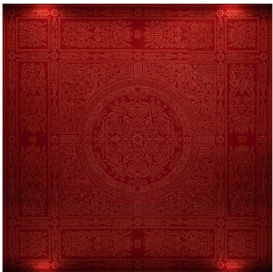

### Alexander's Collection. 'Feb & Diana' | Artisan Rug (2013-now)

The definitive signature masterpiece of Alexander's Collection, representing the absolute zenith of contemporary textile couture. Based on original artwork by Mikhail Verkholtantsev, this rug translates the intricate style of Mature Mannerism into a 3D sculptural form. The composition explores the duality of divine twins Apollo and Artemis, symbolizing the eternal opposition of Sun and Moon. Crafted with 25 years of expertise, the work brings ink-line precision to fine New Zealand wool, featuring grotesque "servants of time" that anchor this monumental narrative canvas.

*Strictly Limited Edition of 3 | 337 x 406 cm | Artisan Hand-tufted, in New Zealand Wool*

[Alexanders Collection Feb and Diana Artisan Rug.zip](#)

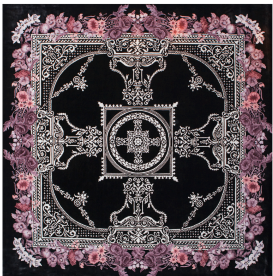

### Alexander's Collection. 'Royal Palace' | Artisan Rug (2013-now)

A definitive expression of power and grace, meticulously handcrafted to bring palatial history into the modern home. In a commanding palette of rich burgundy and crimson, this masterpiece serves as the soulful heart of any architectural space. The design features a sophisticated 3D sculptural topography created through an advanced hand-tufted cut-and-loop technique. This interplay of heights allows ornate patterns to catch light and cast shifting shadows, transforming premium New Zealand wool into a legacy investment in high-class interior art.

*Limited Edition | 420 x 420 cm | Artisan Hand-tufted, 3D Sculptural Cut-and-Loop in New Zealand Wool*

[Alexanders Collection Royal Palace Artisan Rug.zip](#)

### Alexander's Collection. 'Villa D'Este' | Artisan Rug (2020-now)

An exceptional masterpiece of organic opulence, merging Art Deco contrast with the fluid grace of Rococo. The deep, obsidian-like background is meticulously hand-tufted from 100% fine natural silk, providing a dramatic stage for a multi-dimensional floral composition. The design achieves a sophisticated 3D relief through hand-carved motifs in violet and lilac, accented by ornamental scrollwork in grey silk infused with Silver Metallic Lurex. Using a specialized loop-pile technique against a velvet-soft cut pile, this work serves as a high-fashion centerpiece for grand salons and private galleries.

*Limited Edition | 300 x 300 cm | Artisan Hand-tufted, 3D Sculptural 100% Natural Silk & Silver Lurex*

[Alexanders Collection Villa D'Este Artisan Rug.zip](#)

### Alexander's Collection. 'White Nights' | Artisan Rug (2013-now)

A breathtaking masterpiece of the Empress Collection, representing a seamless harmony of neoclassical ornamentation and historical landscape art. This work depicts a serene Imperial Park, where every detail is meticulously hand-drawn to achieve hyper-realistic depth across the entire surface. Crafted from 100% fine natural silk with a proprietary stain-resistant treatment, the rug features high-density tufting and signature surface polishing. Its 6mm velvet-like texture interacts exquisitely with light, elevating the design into the realm of Haute Couture art.

*Limited Edition | 300 x 300 cm | Artisan Hand-tufted, 3D Sculptural Relief in 100% Fine Natural Silk*

[Alexanders Collection White Nights Artisan Rug.zip](#)

### Alexander's Collection. 'Imperial Palaces' | Artisan Rug (2013-now)

A revolutionary breakthrough in neoclassical textile art and a definitive highlight of the Empress Collection. Designed by Alexander Anisimov, this masterpiece is an architectural marvel featuring a grand central medallion of an Imperial Park, framed by four exquisite corner medallions of iconic palaces. Every line is hand-drawn with hyper-realistic precision across the fine silk surface. Crafted from the highest-grade natural silk with a proprietary stain-resistant treatment, the rug features high-density tufting and signature velvet polishing. This 6mm pile masterpiece merges high-fashion aesthetics with unprecedented practicality, reflecting a legacy of global style.

*Limited Edition | 300 x 300 cm | Artisan Hand-tufted, 100% Fine Natural Silk*

[Alexanders Collection Imperial Palaces Artisan Rug.zip](#)

### Alexander's Collection. 'Sapphires' | Artisan Rug (2013-now)

A sophisticated statement of modern luxury from the Jewel Collection, reimagining the luminous depth of gemstones. Designed by Alex Sander, this piece reflects a refined fusion of Eastern ornamental heritage and European minimalism. The vibrant cerulean palette and natural silk luster bring a dynamic, soul-stirring elegance to contemporary spaces. Expertly hand-tufted from 100% pure high-grade silk, the rug features a premium velour surface finish. This high-density, velvet-touch texture is the hallmark of the Luxury Quality Standard, providing a sensory experience akin to a high-jewelry masterpiece.

*Limited Edition | 300 x 300 cm | Artisan Hand-tufted, 100% Pure High-Grade Silk (Velvet-Touch Finish)*

[Alexanders Collection Sapphires Artisan Rug.zip](#)

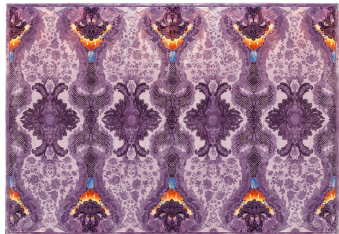

### Alexander's Collection. 'Murano Tiger Eye' | Artisan Rug (2013-now)

A vibrant flagship of the Jewel Collection, serving as a tribute to the opulent aesthetics of Southeast Asia. Designed by Alexander Anisimov, this rug translates the iridescent color play of peacock feathers into a high-concept neoclassical design. The composition features a rich palette of emerald and sapphire, where the natural luster of Peacock Silk is enhanced by Silver Lurex and fine New Zealand wool. This technical innovation mimics the shimmer of Murano glass and gemstones, offering a rhythmic radiance and a 6mm velvet-touch pile that creates a sensory, high-jewelry statement.

*Limited Edition | 250 x 350 cm | Artisan Hand-tufted, Iridescent Multi-material Blending in Silk, Wool & Silver Lurex*

[Alexanders Collection Murano Tiger Eye Artisan Rug.zip](#)

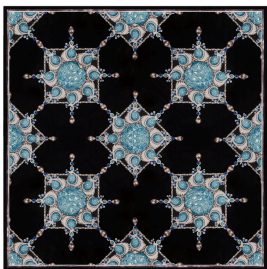

### Alexander's Collection. 'Amethyst' | Artisan Rug (2018-now)

A masterful exploration of mineral beauty from the Jewel Collection, translating the multi-faceted essence of the amethyst gemstone into high-concept textile art. Designed by Alexander Anisimov, this piece features a dramatic gradation of violet, plum, and lavender tones, meticulously harmonized to recreate the natural play of light within a raw crystal. The artwork achieves hyper-realistic geological depth through hand-drawn "facets" and a signature velvet surface polishing. Each 6mm velvet-cut pile element represents an investment-grade art piece where the raw power of nature meets the technical precision of Haute Couture.

*Limited Edition | 250 x 358 cm | Artisan Hand-tufted, 3D Sculptural Crystalline Relief in New Zealand Wool*

[Alexanders Collection Amethyst Artisan Rug.zip](#)

### Alexander's Collection. 'Alchemy-Touch of Cartier' | Artisan Rug (2017-now)

A commanding masterpiece from the Jewel Collection, inspired by the timeless elegance of Cartier haute joaillerie. The design features stylized blue diamonds set in platinum-like frames, arranged as exquisite brooches in a sophisticated chessboard composition. Executed under the exclusive Luxury Quality Standard, the work utilizes a luxurious blend of natural silk and premium wool. The silk motifs provide a brilliant, gemstone-like luster against a deep, light-absorbing background. Hand-sculpted relief achieves a seamless velour-like couture surface, transforming the floor into a gallery of oversized, woven gemstones.

*Limited Edition of 5 | 300 x 300 cm | Artisan Hand-tufted, Silk-on-Wool Jewel Relief*

[Alexanders Collection Alchemy Touch of Cartier Artisan Rug.zip](#)

### Alexander's Collection. 'Empire' | Artisan Rug (2018-now)

An extraordinary tribute to neoclassical heritage and sovereign grandeur, serving as a centerpiece of the Empress Collection. Designed by Alex Sander, this rug presents a visual narrative centered around two magnificent medallions depicting royal palaces. The composition is a masterclass in color harmony, transitioning from powder pinks to soft blues, framed by shimmering golden hues. The artwork achieves a revolutionary 3D topography through a sophisticated interplay of loop and cut pile, allowing intricate architectural details to emerge with startling realism from the premium New Zealand wool.

*Limited Edition | 350 x 430 cm | Artisan Hand-tufted, Multi-layer Architectural Relief in New Zealand Wool*
